

IBGS Local Organizing Committee

Name	Institution, country	Expertise
Nils Rostoks, chair	University of Latvia, Latvia	Molecular genetics, association mapping, disease resistance
Alan H. Schulman, vice chair	University of Helsinki, Finland	Genomics, abiotic stress response
Isaak Rashal	University of Latvia, Latvian Society for Geneticists and Breeders, Latvia	Genetics and breeding
Linda Legzdiņa	Institute of Agricultural Resources and Economics, Latvia	Barley breeding
Mara Bleidere	Institute of Agricultural Resources and Economics, Latvia	Barley breeding
Søren Kjærsgaard Rasmussen	University of Copenhagen, Denmark	Barley grain quality and end use; molecular breeding
Mats Hansson	Lund University, Sweden	Barley genetics, mutants
Duane E. Falk	University of Guelph, Canada	Barley breeding methodology
Ülle Tamm	Estonian Crop Research Institute, Estonia	Barley breeding
Kristiina Laanemets	Estonian Crop Research Institute, Estonia	Barley breeding
Algė Leistrumaitė	The Lithuanian Institute of Agriculture, Lithuania	Barley breeding

Name	Institution, country	Expertise
Ahmed Jahoor	Nordic Seed and Swedish Agricultural University	Genome based barley breeding

IBGS International Committee

Name	Institution, country	Expertise
Guoping Zhang	Zhejiang University, China	Barley breeding and crop physiology
Andreas Graner	Leibniz Institute of Plant Genetics and Crop Plant Research (IPK), Germany	Plant genetics, breeding of crop plants
Euclides Minella	Brazilian Agricultural Research Corporation (EMBRAPA), Brazil	Barley breeding
Bryan Harvey	University of Saskatchewan, Canada	Barley breeding
Olga Kovaleva	N.I. Vavilov All-Russian Research Institute of Plant Industry, Russia	Research on genetic diversity
Wayne Powell	Scotland's Rural College, United Kingdom	Physiology and Genetics
Kazuhiro Sato	Okayama University, Japan	Barley genetics
Alan Schulman	University of Helsinki, Finland	Genomics, abiotic stress response
Flavio Capettini	Field Crop Development Centre, Canada	Barley breeding

Name	Institution, country	Expertise
Chengdao Li	Western Barley Genetics Alliance, Australia	Genetics and breeding
Kevin Smith	University of Minnesota, USA	Barley breeding and genetics
