

ABSTRACT SUBMISSION IS CLOSED!

Contributions to the Symposium will be in the form of oral and poster presentations. All oral and poster presenters (including invited speakers) are required to register and submit abstracts to be published in symposium proceedings e-book after acceptance.

Detailed information on full length paper and poster guidelines will be provided soon.

Please enter your Abstracts up to 3000 characters in the on-line template. Do not use tables and figures.

You will be informed on acceptance of your Abstract by May 6, 2022.
