IBGS 13

13th INTERNATIONAL BARLEY GENETICS SYMPOSIUM
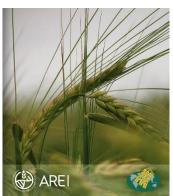

JULY 3RD - 7TH, 2022 RIGA, LATVIA,

Organized by Institute of Agricultural Resources and Economics (AREI)

AREI

Guidelines for flash&dash presentations

Graduate students, post-doctoral researchers have the opportunity to present short presentation about their poster during a Flash and Dash session (July 5, 15:40-17.00).

- ✓ You will receive an e-mail informing you about the time of your presentation (will be available on the programme page of symposium website);
- ✓ Each presentation is limited to five minutes (5) maximum time limit and no more than a three (3) slide presentation (excluding the title& affiliation slide) which highlights your research;
- ✓ Please be aware that the chairperson will request that speakers strictly adhere to the time schedule.
- ✓ Please focus on the main target of the research/key message - the audience should be stimulated to discuss your topic with you during poster session;
- ✓ Put only key message or figures on slides; do not overwhelm the audience with too much text;
- ✓ Please prepare your presentation in .ppt format based on the template provided by symposium organizers and send it by e-mail until June 27 to: ibgs13@arei.lv
- ✓ Name the file with your family name and presentation ID number (sequence number from the list of presenters). Example: Klaus_3
- ✓ During the session the presenters will be asked to take their place in a cue close to the stage to save the time
- ✓ Best 3 presenters will be awarded taking into account their presentation and poster according to decision of LOC and IOC members.
